

**THE UNIVERSITY OF HONG KONG
LKS FACULTY OF MEDICINE**

Advanced Standing for Students with a First Degree Admitted through Non-JUPAS -
MBBS 2020/21

Students with a first degree admitted to MBBS through Non-JUPAS will normally be granted advanced standing for Core University English (CUE), Common Core Courses (CCC) and Enrichment Year (EY). Subject to approval from the relevant parties, the amount of advanced standing credits will be confirmed to eligible students by late August. Students may also be invited to produce other supporting documents if deemed necessary.

There is no need to make separate applications for exemption from the CUE and advanced standing for CCC on HKUMed First Year Portal.

Should you have any queries, please contact Mr Thomas Cheung (tcwt@hku.hk; 3917 9344).
