M.118/911 (Re-amended)

Master of Medical Sciences (MMedSc)

<u>Workflow for Compulsory Plagiarism Check on Dissertation through *Turnitin*
Before Submission of Dissertation for Examination</u>

Faculty Office:

➢ To create a Turnitin Assignment **via** Moodle for students to upload their dissertation and abstracts **via** Turnitin to Moodle

MMedSc Students:

➢ **No modification of the title** shall be made without further approval
➢ To upload the electronic copy of dissertation and two abstracts in one PDF file **via** Moodle through HKU Portal > My E-learning > e.g. MMSC7000_2A_2018 > e.g. MMedSc Dissertation Examination 2018/2019
➢ To view the originality report(s)
➢ To consult the Supervisor for refinement of the draft dissertation as appropriate
➢ Before submitting the dissertation to the Faculty for examination, to submit the latest originality report in hard- or e-copy to the Supervisor & invite him/her to sign the *Master of Medical Sciences Dissertation Submission Form* (document M.103/1017 amended)

Supervisors:

➢ To give advice to students on the refinement of their dissertation
➢ To view the latest originality report submitted by the student before signing the *Dissertation Submission Form* to confirm that the dissertation is ready for submission for examination / re-examination

<u>Note:</u>
The Internal and External Examiners may request to read the *Turnitin* originality report when necessary.
