

<b>Course Title/Code:</b>	<b>Introduction to Epidemiology (MMPH6003)</b>
<b>Department:</b>	School of Public Health
<b>Objective:</b>	On completion of this Course, the students should be able to: <ol style="list-style-type: none"> <li>1. Identify, define and calculate measures of illness and their association with health determinants, including risks, rates and prevalence.</li> <li>2. Describe and differentiate common epidemiological study designs, and discuss their strengths and limitations.</li> <li>3. Describe approaches to the identification of causes of illness and the implications for control efforts.</li> </ol>
<b>Content:</b>	Topics include: <ul style="list-style-type: none"> <li>• Measures of occurrence</li> <li>• Measures of effect and association</li> <li>• Randomized trials</li> <li>• Cohort studies</li> <li>• Case-referent studies</li> <li>• Study designs</li> <li>• Causal inference in epidemiology</li> <li>• Bias, confounding and interaction</li> <li>• Epidemiology in practice</li> </ul>
<b>Learning Outcomes:</b>	On completion of the module, the students are expected to: <ol style="list-style-type: none"> <li>1. Define epidemiology and describe its relationship with medicine and public health.</li> <li>2. Define parameters related to morbidity and mortality</li> <li>3. Define, interpret, and calculate measures of event occurrence</li> <li>4. Define, compare, and contrast the design of case-control, cross sectional, cohort, and randomized trials</li> <li>5. Define and identify concepts of causality</li> <li>6. Identify and distinguish common types of bias</li> <li>7. Evaluate and discuss practical issues in designing and implementing epidemiological studies</li> </ol>
<b>Prerequisite:</b>	None
<b>Duration:</b>	3 hours/week; 30 contact hours
<b>Continuous assessment/ examination ratio:</b>	<ol style="list-style-type: none"> <li>1. Assignments: 15%</li> <li>2. Mid-term exam: 15%</li> <li>3. Final examination: 70%</li> </ol>
<b>Examination method/ duration:</b>	Written examination / 2 hours
<b>Remarks:</b>	Also offered to RPg from other Faculties at HKU.
