THE UNIVERSITY OF HONG KONG
LI KA SHING FACULTY OF MEDICINE

RGC Collaborative Research Fund 2017-18

To: All Teachers and Research Assistant Professors in the Medical Faculty

The call circular dated January 5, 2017 on the RGC Collaborative Research Fund 2017-18 issued by the Research Services (<http://intraweb.hku.hk/local/rss/crf/call.htm>) refers. This exercise will support proposals for (a) Equipment Grant; (b) Group Research Grant; and (c) “renewal” funding for group research projects that were initially funded in 2013-14 or 2014-15 and will be completed before June 30, 2018.

The RGC budget for the 2017-18 exercise is \$110M, which will be used to fund both “Equipment Grant” and “Group Research Grant” projects. Applicants are required to submit preliminary proposals online via the RGC Electronic System (ES) (<https://cerg1.ugc.edu.hk/>).

Intending applicants are advised to refer to the eligibility and application procedures in the above University’s call circular.

All preliminary proposals should be submitted and endorsed online by the Heads/Directors of Departments/Schools concerned via RGC ES by Wednesday, February 1, 2017. Copies of the preliminary proposals together with the duly completed declaration forms [downloadable at <http://intraweb.hku.hk/local/rss/crf/declaration-form.doc>] should reach the Faculty Office (Attn: Ms April Luk) by Wednesday, January 25, 2017 for the Faculty’s endorsement on the declaration forms.
