- 10 Strategic Research Areas exploring new domains and promoting cross-disciplinary collaboration
- Varied sources of funding

What We Offer?

- Professoriate and tenure-track positions
- Competitive salary
- Tailor-made laboratory start-up packages
- Relocation support
- Housing assistance
- Help with schooling for children

About The University of Hong Kong

The University of Hong Kong (HKU), Asia's Global University, is a comprehensive research-intensive institution that consistently ranks high among the world's top universities. Many of its scholars are amongst the top 1% in their field according to ISI's Essential Science Indicators. Researchers at HKU repeatedly secure the lion's share of government research funding as well as access other schemes and donations.

Tenure & Promotion

“Tenure” is a continuous appointment up to retirement offered to the best-performing professoriate staff members who have demonstrate excellence in teaching and learning, research and scholarship, knowledge exchange, and service/administration.

HKUMed offers tenure-track positions and routes to tenure for candidates with high potential.

- Tenure-track: Candidates applying for tenure-track positions (Associate Professors / Professor) will undergo a tenure assessment process before a contract is offered
- Review for tenure: Normally takes place before the end of the second contract
- Promotion: Award of tenure to an Assistant Professor will be coupled with a promotion to Associate Professor

Benefits & Wellness

Alongside competitive salaries, HKU offers an attractive range of benefits.

Leave	HKU offers generous paid holiday as well as paid leave for professional development and family commitments. <ul style="list-style-type: none">• Annual leave• Professional leave• Sabbatical leave• 17 days of public holidays• 3 University holidays
