

Technical Assistant / Laboratory Assistant

Job Reference Number: C2i097

The Centre for Immunology & Infection (C2i) uses novel technology platforms for biomarker discovery and the development of new vaccine and therapeutic strategies.

It is the fruit of a long-standing partnership of more than 20 years between the LKS Faculty of Medicine of the University of Hong Kong (HKUMed) and the Institut Pasteur, Paris, two major international leaders combining their expertise to establish this centre of excellence.

C2i aims to establish a novel technology platform for biomarker discovery and development of new vaccine and therapeutic strategies. C2i addresses major unmet global and local public health needs with excellent potential for commercial exploitation.
