

Post-doctoral Fellow (Ref.: C2i060P2)

Job Reference Number: C2i060P2

Centre for Immunology & Infection Limited

The Centre for Immunology & Infection (C2i) uses novel technology platforms for biomarker discovery and the development of new vaccine and therapeutic strategies.

It is the fruit of a long-standing partnership of more than 20 years between the LKS Faculty of Medicine of the University of Hong Kong (HKUMed) and the Institut Pasteur, Paris, two major international leaders combining their expertise to establish this centre of excellence.

C2i addresses major unmet global and local public health needs with excellent potential for commercial exploitation.

Job Description

Applications are now invited for appointment as **Post-doctoral Fellow (Ref.: C2i060P2)**, to commence as soon as possible, on a one-year contract basis with the possibility of renewal subject to satisfactory performance and mutual agreement.

Post-doctoral Fellow (Ref.: C2i060P2)

Applicants should possess a Ph.D. degree in biological/medical sciences or a relevant discipline, with work experience in molecular virology and immunology. Experience in animal work and pathogen-induced immune response will be an advantage. The appointee will work in a research group to conduct influenza vaccine studies (<https://www.c2i.hk/research-project-2>).

A highly competitive salary commensurate with qualifications and experience will be offered, in addition to annual leave and medical benefits.

Applicants should submit their up-to-date C.V., quoting the job reference number, current/expected remuneration and availability, and research publication list, if applicable, to jobs@c2i.hk. Review of applications will start as soon as possible and continue until the post is filled. Shortlisted candidates will be invited to attend an interview.

The personal data provided in the application process will be used for recruitment and other employment-related purposes. The personal data may be transferred and disclosed to and used by HKU Innovation Holdings Limited and The University of Hong Kong for the above purposes.

Shuttle bus service is available to/from Hong Kong Science Park for commute. We are an equal opportunities employer and welcome applications from all qualified candidates. C2i thanks applicants for their interest but advises that only shortlisted applicants will be notified of the application result.
