

## Post-doctoral Fellow (Ref.: C2i079P1)

Job Reference Number: C2i079P1

### Centre for Immunology & Infection Limited

**The Centre for Immunology & Infection (C2i)** uses novel technology platforms for biomarker discovery and the development of new vaccine and therapeutic strategies.

It is the fruit of a long-standing partnership of more than 20 years between the LKS Faculty of Medicine of the University of Hong Kong (HKUMed) and the Institut Pasteur, Paris, two major international leaders combining their expertise to establish this centre of excellence.

C2i addresses major unmet global and local public health needs with excellent potential for commercial exploitation.

### Job Description

Applications are now invited for the appointment as **Post-doctoral Fellow (Ref.: C2i079P1)**, to commence as soon as possible on a one- or two-year contract basis with the possibility of renewal subject to satisfactory performance and mutual agreement.

### **Post-doctoral Fellow (Ref.: C2i079P1)**

Applicants should possess a Ph.D. or a doctoral degree by research in Immunology, Pharmacology, Biomedical data science, or related disciplines. Experience in investigating the key determinants of the immune response variability would be an advantage. Applicants should be self-motivated team players with good communication skills and critical thinking. The appointee will join a multidisciplinary research team to conduct Healthy Human Global Project - Hong Kong (HHGP-Hong Kong) (<https://www.c2i.hk/research-project-1>).

A highly competitive salary commensurate with qualifications and experience will be offered, in addition to annual leave and medical benefits.

Applicants should submit their up-to-date C.V., quoting the job reference number, current/expected remuneration and availability, and research publication list, if applicable, to [jobs@c2i.hk](mailto:jobs@c2i.hk). Review of applications will start as soon as possible and continue until the post is filled. Shortlisted candidates will be invited to attend an interview.

The personal data provided in the application process will be used for recruitment and other employment-related purposes. The personal data may be transferred and disclosed to and used by HKU Innovation Holdings Limited and The University of Hong Kong for the above purposes.

Shuttle bus service is available to/from Hong Kong Science Park for commute. We are an equal opportunities employer and welcome applications from all qualified candidates. C2i thanks applicants for their interest but advises that only shortlisted applicants will be notified of the application result.
