

THE UNIVERSITY OF HONG KONG  
LI KA SHING FACULTY OF MEDICINE

**Dr Cheng Yu Tung Fellowships  
List of Fellows**

**1999/2000**

**2 Visiting Professors:**

| Name            | Department or School/<br>Receiving staff  | Speciality                                                                                      | Home Institution                                                                                    |
|-----------------|-------------------------------------------|-------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| Prof BAO Xinmin | Biomedical Sciences/<br>Professor YC Wong | Functional Morphology,<br>Synaptic Organization<br>and Ischemic Damage of<br>the Nervous System | Department of Neurobiology,<br>Institute of Neuroscience, Southern<br>Medical University, Guangzhou |
| Prof LI Shuchun | Surgery/<br>Professor J Wong              | Contemporary Concepts<br>and Management of Head<br>and Neck Cancer                              | Liaoning Tumor Hospital & Institute,<br>Shenyang, Liaoning                                          |

**2 Visiting Fellows:**

| Name                    | Department or School/<br>Receiving staff | Speciality                                                                   | Home Institution                                                                      |
|-------------------------|------------------------------------------|------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Prof JIANG<br>Chaoqiang | Public Health/<br>Professor AJ Hedley    | Smoking and<br>Occupational Exposures                                        | Guangzhou Occupational Diseases<br>Prevention and Treatment Centre,<br>Guangzhou      |
| Prof SONG Yanhua        | Psychiatry/<br>Professor F Lieh-Mak      | Early Drug Intervention<br>on the Long Term<br>Prognosis of<br>Schizophrenia | Institute of Mental Health, Health<br>Science Center of Peking University,<br>Beijing |

**4 Research Fellows:**

| Name          | Department or School/<br>Receiving staff                                     | Field of Study                                                                                         | Home Institution                                                                                                               |
|---------------|------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Dr MA Runmei  | Obstetrics &<br>Gynaecology/<br>Professor TTH Lao                            | Perinatal Medicine,<br>Gynaecology<br>Endocrinology and<br>Reproductive<br>Endocrinology               | Department of Obstetrics &<br>Gynaecology, The First Affiliated<br>Hospital of Kunming Medical College,<br>Kunming             |
| Dr WANG Jun   | Paediatrics and<br>Adolescent Medicine/<br>Professor YL Lau &<br>Dr NS Tsoi  | Neonatology and<br>Neonatal Intensive Care                                                             | Department of Paediatrics, The Third<br>School of Clinical Medicine, Health<br>Science Center of Peking University,<br>Beijing |
| Dr ZHANG Hao  | Orthopaedics &<br>Traumatology/<br>Professor KMC Cheung &<br>Professor WW Lu | The Role of Haversian<br>Remodelling in Bone<br>Repair                                                 | Department of Orthopaedic & Spinal,<br>Nanfang Hospital, Guangzhou                                                             |
| Dr ZHU Tongyu | Pharmacology &<br>Pharmacy/<br>Professor RYK Man                             | The Action of<br>Glycoproteins in the<br>Treatment of Cancer and<br>Modulation of the<br>Immune System | Department of Urology, Zhongshan<br>Hospital, Shanghai Medical College of<br>Fudan University, Shanghai                        |

## 7 Research Assistants:

| Name             | Department or School/<br>Receiving staff                                  | Field of Study                                                                                   | Home Institution                                                                                                  |
|------------------|---------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|
| Dr LI Guozhao    | Diagnostic Radiology/<br>Dr CGC Ooi                                       | Clinical Interventional<br>Radiology                                                             | Department of Radiology, Sun Yat Sen<br>Memorial Hospital, Guangzhou                                              |
| Dr WU Wen        | Medicine/<br>Professor RHS Liang                                          | Immunology, Cellular<br>and Molecular Biology in<br>Various Diseases of<br>Hematologic Malignant | Department of Haematology, Ruijin<br>Hospital, School of Medicine of<br>Shanghai Jiaotong University,<br>Shanghai |
| Dr XUE Weicheng  | Pathology/<br>Professor ANY Cheung                                        | Pathology of Female<br>Reproductive System                                                       | Department of Pathology, People's<br>Hospital, Health Science Center of<br>Peking University, Beijing             |
| Dr YUAN Hejun    | Medicine/<br>Professor CL Lai                                             | Hepatology                                                                                       | Department of Internal Medicine,<br>Zhongshan Hospital, Shanghai Medical<br>College of Fudan University, Shanghai |
| Dr YUAN Jiuhong  | Surgery/<br>Dr PC Tam                                                     | Urologic Carcinoma                                                                               | Department of Urology, Peking Union<br>Medical College Hospital, Beijing                                          |
| Dr ZHANG Jianguo | Orthopaedics &<br>Traumatology/<br>Professor KDK Luk &<br>Professor WW Lu | Spinal Growth on the<br>Scoliosis Deformity after<br>Posterior Spinal Fusion                     | Department of Orthopaedics, Peking<br>Union Medical College Hospital,<br>Beijing                                  |
| Dr ZHOU Xuan     | Paediatrics and<br>Adolescent Medicine/<br>Professor YL Lau               | Hematonosis &<br>Leukemia                                                                        | Beijing Children's Hospital, Capital<br>University of Medical Sciences,<br>Beijing                                |

PhD

*Ex-Fellows who have completed/are pursuing higher degrees studies at The University of Hong Kong*
