8th Regional Osteoporosis Conference

19th-20th May 2007

Welcome Message

On behalf of the Organizing Committee, it gives me great pleasure to invite you to the 8th Regional Osteoporosis Conference to be held in Hong Kong on 18th-20th May 2007. The 8th Regional Osteoporosis Conference is jointly organized by the Osteoporosis Society of Hong Kong, the Osteoporosis Centre, Department of Medicine, The University of Hong Kong, The Hong Kong College of Orthopaedic Surgeons, The Hong Kong Orthopaedic Association and the Research Centre of Heart, Brain, Hormone & Healthy Aging, The University of Hong Kong and endorsed by the International Osteoporosis Foundation. Osteoporosis is now recognized as a major health problem worldwide. Over the past few years, this Regional Osteoporosis Conference has become a major event in Asia, attracting hundreds of participants from different countries. At the 8th Regional Osteoporosis Conference, you will have an opportunity to interact with the world's experts and to learn about new developments in basic and clinical aspects of osteoporosis. We invite you to submit abstracts for poster presentations.

Following the success of last year, the conference this year will be preceded again by the IOF Osteoporosis Diagnosis Course, which is conducted the second time in Asia by leading experts in the field, aiming to provide a concise and practical overview of the latest knowledge on the physiology, epidemiology, diagnosis and management of osteoporosis.

I look forward to welcoming you to Hong Kong for this exciting conference.
