

John Kennedy, 1961

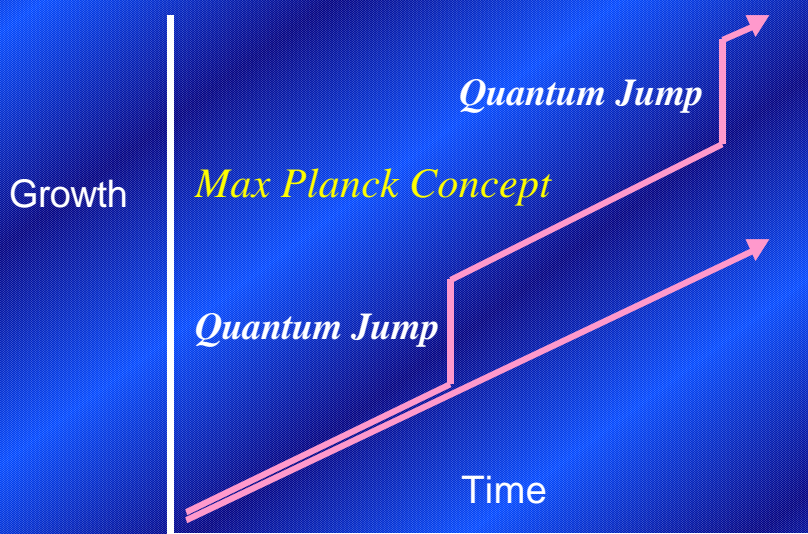

*"I have a dream.....transform the jangling
discords of our nation into a beautiful symphony of
brotherhood."*

What does Häagen-Dazs sell?

Vision

Asia

亞洲國際學會

香港

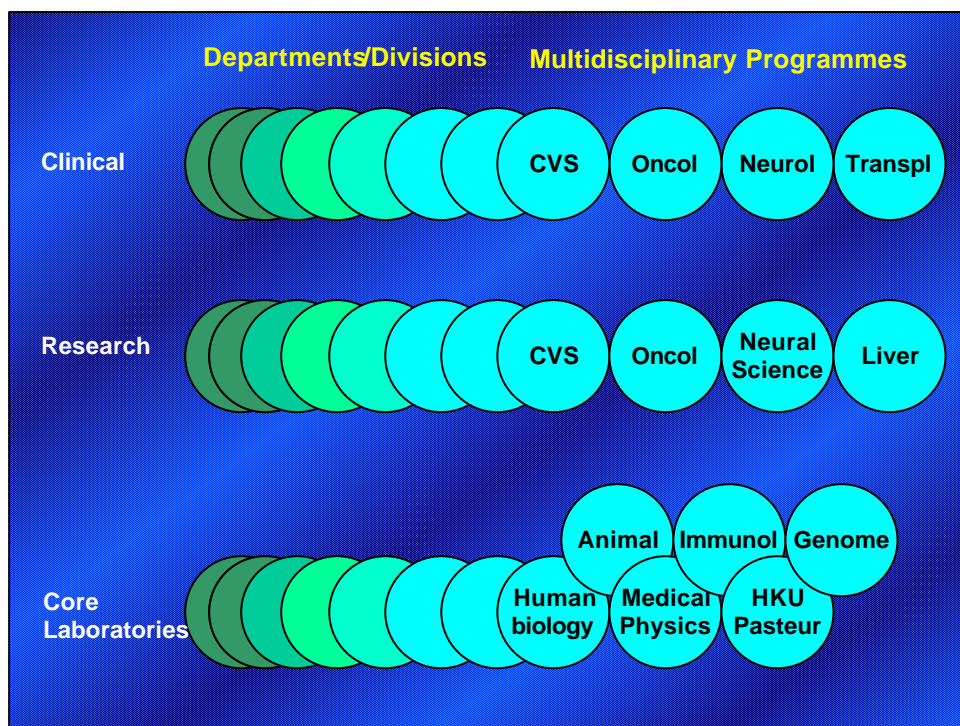

- Increasing population: half the world's people now live here.
- Rising GDP: 6%, 1999 (USA 4.2, EU 2.3).
- Largely a 3rd world region: diverse culture, uneven education, different levels of development, unique disease patterns.

Clinical Trends

- Emphasis on primary care and preventive medicine
- Chinese medicine
- Recognition of tertiary practice
- "Privatisation"
- Mutidisciplinary programmes

Research Trends

- Mutidisciplinary, focussed programmes
- Multi-institutional collaboration
- Partnership with industries
- Core laboratories

Strategic Direction

*Projects at
SAR, national, and regional level*

with HKU as base
